Washington, DC 20585

December 16, 2005

MEMORANDUM FOR: DENNIS KUBICKI  
TECHNICAL STANDARDS MANAGER FOR  
THE OFFICE OF FACILITY OPERATIONS SUPPORT

FROM: RICHARD L. BLACK   
DIRECTOR, OFFICE OF NUCLEAR AND FACILITY  
SAFETY POLICY

SUBJECT: Approval of Change Notice 3 to DOE Technical  
Standard 1104-96, *Review and Approval of Nuclear  
Facility Safety Basis Documents (Documented Safety  
Analyses and Technical Safety Requirements)*

This memorandum forwards the subject Change Notice 3 to DOE Technical Standard, DOE-STD-1104-96, which has been approved for publication and distribution. The changes to this standard consist of two minor changes to mention software quality assurance to meet a commitment to the Defense Nuclear Facilities Safety Board (DNFSB). The changes do not affect the references, are not of a technical nature, and do not exceed 25% of the standard.

A Word file of this document has been sent to you by e-mail. The preparer and point of contact for this proposed change notice is Mary Haughey in EH-22. She can be reached at (301) 903-2867 or at [Mary.Haughey@eh.doe.gov](mailto:Mary.Haughey@eh.doe.gov).
